Benefits

Reliability & Durability

- > Straightforward design and use of highly durable material
- > Non-drip patented pump mechanism
- > Angled top of dispenser to prevent cigarette burn damage
- > Locking system to deter theft and guarantee content integrity

Ease of Service

- > Hinged cover for operator convenience and speed of service
- > Practical inspection window shows when a refill is required
- > One security key for the whole Kennedy range

Maximum Hygiene

- > Each cartridge comes with its own nozzle ensuring germ/blockage-free replacement
- > Soap has no contact with the unit and comes directly from nozzle to hand
- > Patented one-way valve prevents soap and bacteria from returning to the cartridge

End user Satisfaction

- > Range of versatile soap lotions suitable for various environments
- > Push or pull operation options

⁽¹⁾ Customised inserts are available with the Arctic White finish. Designer and Chrome finishes come with a black insert.
