

INTEGRA

Best selling cotton roller towel cabinet

INTEGRA is Kennedy's best selling cotton roller towel cabinet. Ideal for even the busiest washroom it is a highly robust and reliable hand drying system. The INTEGRA provides hygiene, service and environmental benefits while delivering a 'comfort like home' hand drying experience for the end user.

The consumable used with INTEGRA, the cotton towel, is a natural biodegradable product making this system a positive choice for the environment.

This cabinet delivers 200 portions of clean towel from a standard 40m towel. It is available in Kennedy's full range of finishes and can also be produced with a vandal proof stainless steel cover.

Benefits

Reliability & Durability

- > 40 years experience in cabinet engineering
- > Proven ultra robust mechanism
- > Lockable cabinet to prevent unauthorised access

Hygiene & Image

- > Classical design
- > Used towel isolated from clean towel
- > Central unbreakable mirror

Ease of Service

- > Instant towel check through transparent reservoir
- > Lock can be located either side to maximise fitting options

Environmentally Friendly

- > Mechanical operation – no external power source required
- > Cotton roller towels are one and a half times less harmful to the environment than paper equivalents*
- > 100% recyclable components
