

Jumbo Toilet Rolls

Large toilet rolls for jumbo dispensers

Compatible with

Jumbo Ellipse

Maxima Ellipse

- The jumbo toilet rolls come packed in a case of 6 at 380 m per roll, providing long-lasting supply of a high quality paper for the washroom area.
- The two layers of this paper provide balance between its gentleness and strength. The tissue does not rip easily even when wet and it is highly absorbent; therefore, fewer sheets can be used at a time.
- Our toilet paper has the EU Ecolabel: it meets strict environmental requirements; the paper fibres are from sustainable forestry and the use of chemicals is minimal.
