Feminine Hygiene

## Product Code

LAD BIN HOS AUT

Ladybin Auto is a 23-litre no-touch feminine hygiene unit which offers maximum waste holding capacity with minimal floor obstruction. It can be used for both liner and bin exchange service and is available in manual and electronic no-touch versions.

It is an automatic robust unit made from high quality materials. It incorporates intelligent features to aid service and promote maximum hygiene, while making the end user experience pleasant.

## Finishes available

- White
- Designer Grey

## Benefits

---

### Ease of service

- Convenient handle, allowing four units to be carried at one time
- Wall-mount bracket supplied with every unit to ease floor cleaning

### Maximum hygiene

- Available in electronic version for no-touch operation
- Simple lines and smooth surfaces minimize dirt and dust traps
- Flap easily removed for cleaning
- Reinforced drawstring "easy closing" bin liners
- Germicidal powder sachets inhibit bacterial growth and prevent malodours

### End user satisfaction & image

- No visual contact with waste due to the angled flap
- Enhances the image of any washroom environment

INTEGRATED HYGIENE SOLUTIONS
