

# Ladysafe

Sanitary bag dispenser

## Range

Feminine Hygiene

## Product Code

LAD SAF

Ladysafe is a discreet sanitary bag dispenser for hygienic disposal of feminine hygiene waste. Designed for installation alongside Kennedy's feminine hygiene units, the Ladysafe makes a caring statement to the end user while aiding service and promoting maximum hygiene.

Ladysafe is simply installed via an adhesive pad and has been designed for single bag dispensing to help control consumable costs. With its functional and modern design and availability in various finishes, it is suitable for any washroom interior.

## Finishes available

- White
- Designer Grey
