

# Mini Savona foam

Foam soap dispenser 300 ml

## Range

Soap dispensers

## Product Code

SPD SAV 300 FOA

The Mini Savona is a compact and elegant dispenser that provides a large amount of foam soap in a single dose, making this an ultra-economical choice for hand washing. Designed for all washing environments, it is particularly suitable for travel and hospitality washroom areas.

Robust, service-friendly and highly hygienic, the Mini Savona foam has been designed for foam soap only.

## Finishes available

White

## Benefits

### Maximum hygiene

- The soap has no contact with the unit and comes directly from nozzle
- No sharp angles, easy to clean
- Non-drip patented pump mechanism for foam soap
- Airless cartridge with patented dual valve pump

### End user satisfaction

- Rich and luxurious feeling foaming soap lotion

### Ease of service

- Easy to install and maintain
- Error-proof foam soap refill loading feature
- Easy to operate push cover to accurately dose the consumable
- Economical, 0.3 - 0.4 ml foam dose
- Recyclable cartridge and recyclable reusable pump

### Reliability & durability

- Straightforward design and use of highly durable ABS material
- Secure locking system to deter theft and guarantee content integrity

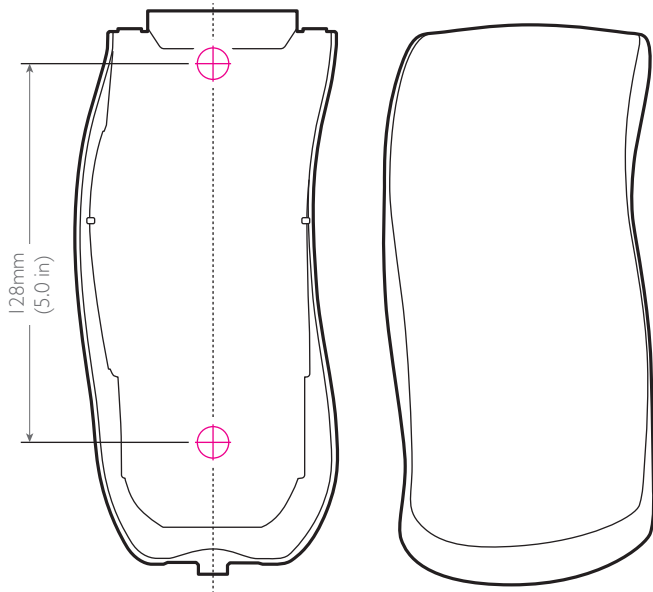

Please note that life expectancy of both pump and nozzle will be dependent on frequency of use. These parts may need to be replaced during the life of the dispenser.
