

Mini Savona liquid

High dose liquid soap dispenser 300 ml

Range

Soap dispensers

Product Code

SPD SAV 300 HDL LIQ

The Mini Savona liquid is a compact and elegant dispenser that provides a large amount of liquid soap in a single high dose of 1.2 - 1.3 ml. Designed for all washing environments, it is particularly suitable for busy catering and hospitality areas and washrooms.

Robust, service-friendly and highly hygienic, the Mini Savona has been designed for liquid soap only.

Finishes available

White

Benefits

Maximum hygiene

- The liquid soap has no contact with the unit and comes directly from nozzle
- No sharp angles, easy to clean
- Non-drip patented pump mechanism for liquid soap
- Airless cartridge with patented dual valve pump

End user satisfaction

- A high quality pearlescent liquid soap with a pleasant peach fragrance

Ease of service

- Easy to install and maintain
- Error-proof liquid soap refill loading feature
- Easy to operate push cover to accurately dose the consumable
- High dose of 1.2 - 1.3 ml
- Recyclable cartridge and recyclable reusable pump

Reliability & durability

- Straightforward design and use of highly durable ABS material
- Secure locking system to deter theft and guarantee content integrity

Please note that life expectancy of both pump and nozzle will be dependent on frequency of use. These parts may need to be replaced during the life of the dispenser.
