

Scintilla

Dispenser for toilet seat wipes

Range

Sanitising dispensers

Product Code

WPD SCN TLT

Scintilla dispenses antimicrobial toilet seat wet wipes. The specially impregnated wipes are effective against bacteria found on toilet seats, are active against selected viruses and conform to European bacterial and fungicidal standards. Simple and effective, the toilet seat wipes are dispensed via a single wipe dispensing aperture to minimise waste.

Finishes available

Benefits

Maximum hygiene

- Wipes are active against bacteria (MRSA, VRE, Escherichia coli ESBL), yeast (Candida albicans) and viruses (Rotavirus, Vaccinia virus and enveloped viruses, including Hepatitis B and C, Influenza, H1N1 and HIV)
- Wipes meet European standard EN 1275

End user satisfaction

- No finger contact with dispenser: next wipe is systematically delivered
- Flash drying for immediate use

Reliability & durability

- Straightforward design and use of highly durable ABS material
- Secure locking system to deter theft and guarantee content integrity

Technical Specifications

HEIGHT
185 mm (7.3 in)

WIDTH
120mm (4.7 in)

DEPTH
75 mm (3.0 in)

- The dispenser holds a sealed pouch of 350 wipes, and it opens from the top using the Kennedy key
- Wipes are pulled through an aperture at the top of the unit, which is designed to restrict the number of wipes pulled out in one go
- The dispenser comes with self-adhesive pads applied and can also be screwed to wall

Consumables

Packs of 350 antimicrobial wet wipes with menthol fragrance.

Materials

Constructed fully from recyclable thermoplastics.

Packaging

Individual units are packed in a polythene bag. Twelve units are packed in a box.
