

# Sigma Ellipse Coreless

Dual roll dispenser for coreless toilet rolls

## Range

Toilet tissue

## Product Code

TSD SIG ELP CLS

Sigma Ellipse Coreless is a dual roll toilet paper dispenser which ensures continuity of paper supply and provides high volume in a compact unit. Ideal for medium traffic environments, it accommodates coreless toilet rolls with an external diameter of up to 140mm (5.5") and 115 mm (4.5") depth. The unit incorporates intelligent features for service such as a special shield which automatically prevents access to the new toilet roll until the original roll is finished and so reduces paper consumption.

## Finishes available

- ☐ Arctic White
- ☒ Designer Grey

## Benefits

---

### Control of consumables

- A special shield automatically prevents access to the new roll until the original roll is finished

### Ease of service

- Dispenser can be installed on either side of the cubicle
- One security key for the whole Kennedy range
- Replaceable front insert
- Hinged cover for convenience and speed of service
- Tray returns to start position automatically when the cover is opened

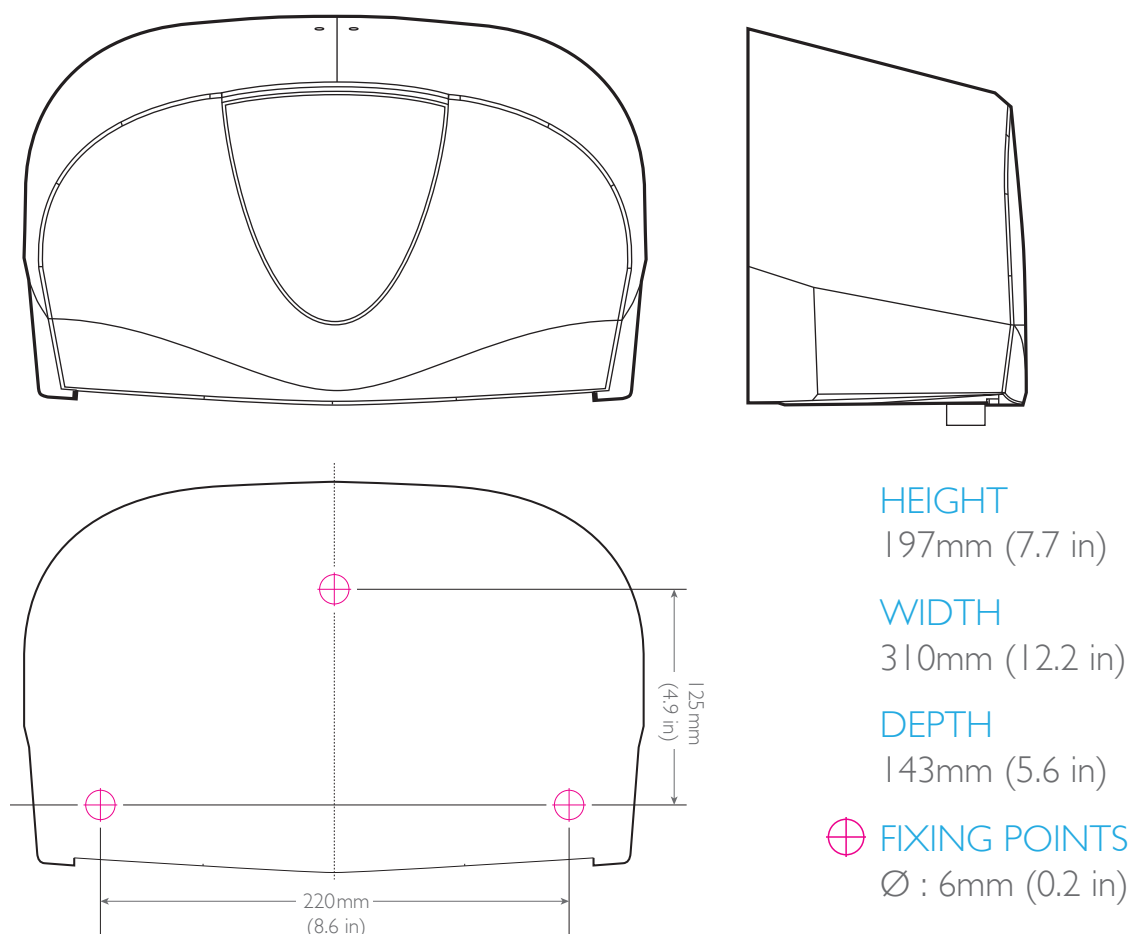

### End user satisfaction

- Hygienic full cover offering tissue protection
- Serrated paper tear-off from either side of the unit

INTEGRATED HYGIENE SOLUTIONS

# Technical Specifications
