Dual roll toilet paper dispenser

## Range

Toilet tissue

## Product Code

TSD SIG ELP

Sigma Ellipse is a dual roll toilet paper dispenser which ensures continuity of paper supply and provides high volume in a compact unit. Sigma Ellipse is ideal for low to medium traffic environments, it accommodates any toilet roll with a core diameter between 28 and 45 mm (1.1 - 1.7 in) and with an external diameter up to 140 mm (5.5 in), and can also accommodate coreless toilet rolls. The unit incorporates intelligent features for service such as a special shield which automatically prevents access to the new toilet roll until the original roll is finished and so reduces paper consumption.

Sigma Ellipse also includes the signature translucent elliptical front insert to show when a refill is required, and a removable braking system which aids consumable control and minimises waste. The unit is also available with a selection of customized inserts and in Kennedy's range of attractive finishes<sup>1</sup>.
