

Slimline

Air movement activated air freshener

Range

Air freshening

Product Code

AFR SLI

Slimline is a simple and effective door mounted sachet air freshener. The unit is activated by air movement when opening and closing the door. Offering maximum ease of service, the unit does not need to be programmed.

With no need for batteries or electricity, Slimline is an environmentally friendly option for air freshening.

The Slimline automatic air freshener is discreet and noiseless and is complemented by Kennedy's Freedom in fragrance™ range of EU approved air freshening fragrances in sachet format. The unit is available in Kennedy's full range of attractive finishes.

Technical Specifications

Materials

Cover and back plate moulded in PA/ABS. Dispenser can be recycled or disposed of in accordance with local regulations.

Consumables

The Freedom in fragrance™ range of air freshener fragrances forms an integral part of our air freshening systems. They are available in sachet format for our dispenser Slimline.

Kennedy's Freedom in fragrance™ range:

- All fragrances counteract both washroom and tobacco malodour
- Patented dual action neutralising agent for advanced malodour control
- Safe formulations approved for use under EU regulations
- Fragrances available in aerosol and sachet format
- Consumables are labelled to comply with the Control of Labelling and Packaging directive 1272/2008
